Help us create a  
memory book for  
Kelley and Carol!

Leave a spot for a  
4" x 6" picture.

Write your message  
on the cards.

Danette will take your  
picture and add it later.

We'll compile into a nice  
binder for them.

We are so excited for you!

Although you will be greatly missed, this is a great opportunity.

~ THE DOUGLAS FAMILY ~

Kelley and Carol,

Where did the time go?? Hopefully we'll catch up with you in FL. (Good chance since Roger's new co. is based there as well!) We need to get together for some serious socializing since the last time we were seeing each other regularly, I was pregnant!! Good luck! We'll bring the California wine...

CONGRATULATIONS KELLEY!

PATRICIA DOUGLAS, Karen ♥, Roger

Kelley,

I am sure Nielson made a good move putting you in charge of their inter-galactic data center. How are you going to explain  $\phi$  hardware expenditures and a full data center? I will watch the news for patterns of "missing" computer equipment in FLA. Best of Luck.

Kim

Dearest Kelley and Carol,

What can I say about you two? You welcomed me into home, helped me in times of need and made a part of your family. For that, I truly thank you.

I wish you both the very best and look forward to visiting you in Florida soon. Thank you again for treating me like a son. - Charlie

Carol & Kelley,

The time has come to say farewell, but you will always remain in our hearts. Remember we're just a phone call away! ☺

Love  
Heather

Kelley<sup>and</sup> Carol,

You have been great friends over the years (12 years & counting). You've always been there to help us - through good times and bad.

Thank goodness for email, telephones and Nextel - Florida won't seem so far away. We'll still miss seeing your smiling faces.

Save a spot in your guest room for us. We'll be out to visit.

Love, Danette Jeff

Kelley & CAROL,  
What CAN we SAY?  
We wish you the best on  
your adventure to the Sunshine STATE,  
but we sure will miss our Computer Guru,  
Swimming Pal, AND furry love seat warmer.  
Dodi will also miss the MISCHIEF  
her AND her "twin" sister had.  
Keep in touch,  
Tom & Dodi

The cords of friendship stretch  
far & wide - even from California  
to Florida. Nothing can break the  
cord - not time - not distance.

Life won't be the same with  
you so far away - But you'll  
be near in our hearts.

Much love to you both!
